1.Red Light Therapy

Jacuzzi Saunas include high intensity red light therapy allowing you to enjoy the benefits of light therapy in every session.

2.Therapeutic Far Infrared Heaters

Our combination mica/carbon low EMF heaters surround you in soothing infrared heat.

3.Full Spectrum Heaters

Our powerful full spectrum heaters deliver near, mid and far infrared to enhance the benefits of your sauna session.

4.Built-In Ergonomic Backrest

Relax close to the soothing infrared heat against the built-in ergonomic backrest.

5.Vibrational Resonance Therapy

As a standard feature, VRT can compliment your infrared and red light therapy session with sound and vibration.

6.Enhanced Audio

Bluetooth® and AUX inputs make it easy to connect, listen or charge your devices, and includes a subwoofer for a more immersive experience.

7.Heavy-duty Construction

Metal threshold, upgraded hinges and a replaceable solid wood floor will withstand heavy sauna use.
